Thank you for all the work and effort you put in for us to help deliver a great wedding night. The food was excellent, your wait and bar staff were great. The settings were amazing also. So thank you very much as we know how much you personally put into the set up and running. A friend of ours who attended the wedding (and has worked in hospitality her whole life) stated that being in the room was just like being in a 5 star hotel. So a big thank you again and we will definitely recommend you in the future.

I just wanted to FINALLY say a massive thank you for all of your help in planning our wedding. The venue is just gorgeous and the evening was perfect. We have received so many compliments about the room, the presentation and the food. The food was delicious! Everything was such a blur really but I do remember how beautiful everything looked. Thanks so much for your patience and for making me laugh when I was so stressed out! If I ever get married again, I would go back to Easts because the venue & service is amazing and I love it! (for renewing our vows of course lol). I will definitely be recommending Easts for any occasion, but especially for weddings :)

The wedding all round was a big success. Absolutely everything went right...the presentation on arrival at the reception venue was outstanding. One guest whom I happened to be in company with when I first entered the room stopped in mid-stride and said 'what a magic place, needs a photo taken right now to capture it'. He was right.
